

Dear Friends,

On Saturday, OCTOBER 6, 2018, we are proud to present the FORE 'n' AFT BENEFIT REUNION Concert Festival at Ives Concert Park in Danbury CT.

The Fore 'n' Aft in Brewster, White Plains, Long Island, NY and Westport, CT were the original rock establishments in this area during the 60s, 70s and very early 80s. It was the place to be, and had the best local musicians of the rock world from Connecticut to New Jersey.

Our mission is to reunite the bands and fans from the two most controversial decades which laid the foundation for rock music and events, and to this day are still talked about. Proceeds will go to ALS Association, National Adoption Foundation, Hillside Food Outreach and Ann's Place of Danbury, CT.

We are presenting an entertainment extravaganza that, for 1 day only, reunites the bands, fans and patrons from the

unforgettable years which helped pave the foundation for rock music and events in the region — that are still talked about to this day.

The hours of the festival are Noon-10pm and there will be breaks between every act. Set-up starts at 10am. There will be live concerts, special guest appearances, food trucks, vendors and more.

We are offering 10X10 Spaces for only \$150.00 early bird per space. Reserve your booth early and guarantee your space at the show. After August 15th, the cost is \$200 per vendor space, but we expect to be completely sold out long before that.

There isn't a bad location but spaces closest to the entrance go to earliest bookings. Reservations must include full payment by check/money order. PayPal accepted (add 5%).

We will send confirmations immediately, with updates prior to the show. Call (203) 770-9336 if you have any questions. Meanwhile, if you have a store or set up at other shows, let us know so we can send along some flyers. Kindly post it on Facebook and all possible social media.
